

WORKERS AND THE LABOR MOVEMENT

UNIT 4 LESSON 3

<p>What is the difference between skilled labor and unskilled labor? <i>(slide 2)</i></p>	<p><i>In your own words</i></p> <p>Skilled labor generally requires a certain amount of training prior to being hired. A skilled laborer then improves his skills over time. Unskilled labor can usually be learned on the job in a short period of time. An unskilled worker might get faster over time, but not necessarily better.</p>
